Joanna is currently in the 3rd year of a BA in Fine Art Photography at the University of Gloucestershire in Cheltenham. Prior to this she completed an HE Access to Art Foundation course at Stroud College.

Joanna has travelled widely and speaks Italian, French and some Nepali. She is available for assignments world-wide after she has completed her degree in June 2013. Her photography focuses on street photography, portraits, travel, and social documentary photography.

She has been self-employed in several different art and design related areas for the last 25 years, including owning a gallery and framing business in London and a shop in Dubai, property development, and interior design projects.
